2. The above work amounts to approximately [REDACTED] As previously noted, only [REDACTED] was funded to the contract during FY 1958. The balance of approximately [REDACTED] is partially covered by credits on other items, and a budgetary item of [REDACTED] in the FY 1959 budget. The problem still existing concerns the Contractor's bookkeeping system and the method in which it allocates funds to customers. An appropriate adjustment in favor of [REDACTED] may be required and the best estimate at this time is [REDACTED]. The Contractor has advised that this adjustment figure will be determined in the near future, but probably after 30 June 1958.
